Formuler z7 user guide

All Rights Reserved. For more information please contact your IPTV provider. © Copyright 2022 Manua.ls. Even though there is a slight difference between models, we hope this basic guide help all Formuler users. Simple manual & Video tutorials Hidden/Advanced remote functions Screen Remote Button Action Home Press and hold OK Re-organizing launcher Apps Home Red(■) / Green(■) Yellow(■) / Blue(■) Open assigned app Mytvonline1: Settings > System > Hotkey Mytvonline2: Quick Settings > Hotkeys Everywhere Press and hold Record (●) Create screenshot (USB is needed) Everywhere Press and hold STB (power) Show shutdown options (Standby/Power off/Restart) Everywhere Press and hold Resolution Revert the HDMI resolution to a safe mode Enable HDMI auto adaptation Everywhere Press and hold MENU Display recently used apps D-Pad Down/Up: Close selected App Everywhere Press and hold VFORMAT Picture Quality (PQ)Setting dialog Live INFO > D-pad Left Show channel list in current group Live INFO > D-pad Right OK(Classic list) > D-pad Right Single channel EPG Live OK Show channel List (List Style option: Menu > Settings) Live BACK Go to the previous channel Live Press and hold BACK Displays the recent channel history Live Red button (■) Go to channel menu options audiotrack, subtitle etc. Our database contains more than 1 million PDF manuals from more than 10.000 brands. Enter IPTV M3U URL you get from your IPTV provider and click on "CONNECT" Note: If you add M3U with Options Uri here. Do not need to Add VOD or EPG url anymore. Please note, this MAC address must be given to your IPTV provider (Some progressive IPTV provider present you a dashboard to manage IPTV settings, you can Add MAC address to your subscription in dashboard) Here you can see the two options, select "Add Portal" to set device as a MAC base device like MAG boxes. Step 3: Now Everything is ready and you can start watching Live TV. Page 2 Looking for a manual? If you don't have this application on your device you can download it from the Google Play store. Step 3: Enter Portal Nickname (Example: MYIPTV). Every day we add the latest manuals so that you will always find the product you are looking for. Step 2: Enter Playlist Nickname (Example: MYIPTV). Step 4: Successful Connection! You receive all channels associated with your subscription Please note, this might take a little time... How to setup FormulerZ8 with MYTV Online 2 using M3U Uri Step 1: After opening the MYTV online application you have two options. Enter IPTV Portal URL you get from your IPTV provider and click on "CONNECT". Page 3 Looking for a manual? Step 1: Open the exclusive application for watching IPTV in Formuler boxes "MYTV Online 2". Step 2: You can see the box's MAC in the top right of this page. Manua.ls ensures that you will find the manual you are looking for in no time. It's very simple: just type the brand name and the type of product in the search bar and you can instantly view the manual of your choice online for free. You can ask for portal URL from your IPTV service provider. Please note, this might take a little time... Looking for a manual? To setup FormulerZ8 using M3U url you need to select "Add Playlist" here. Applicable models: All models (* Some keys : Model dependent) Please take a look at the files / sites below for basic remote guide & tutorials. Live Green button (■) Go to channel search option Live Record (●) Record starts > Red icon displayed (USB is needed) Live Press and hold VOD Go to TV Series section VOD/TV Press and hold VOD Move between VOD and TV Series Live Record (●) Adjust current recording time (Only while recording) Live Playlist Open Recording file list Grid EPG Record (●) or OK (Mytvonline2) Set up scheduled recording for future program Live (MOL2) Press and hold EXIT Exit dialog Live (MOL2) Press and hold RED button (■) PIP Swap (Only when PIP is functioning) Live (MOL2) Press and hold OK PIP channel change (Only when PIP is functioning) Live (MOL2) OK > D-pad Left > D-pad Left Favorite Group Editor Live (MOL2) INFO > D-pad Down Open Actions bar for OSD channel menu (favorite, lock, settings, timeshift, pip etc.) Recordings (MOL2) Press and hold OK Display "Delete recordings" dialog Other apps Mouse Cursor > CH UP/DN Scroll up and down for Most Touch-screen apps Please also refer to our forum thread about this. IF this doesn't answer your doubts or you want to search more information, Please take a look at threads in our forum FORMULER FORUM Or click TAGS on the right side of this page.
