Jacob Shallus who, at the time, was assistant clerk of the Pennsylvania State Assembly, and whose office was in the same building in which the Convention was held. The united efforts to establish independence gave birth to the Articles of Confederation, which though inadequate, were a real step toward the "more perfect Union" of the Constitution. No. Those portions of the Constitution which specifically dealt with slavery and the slave trade (Art. Who presented the Virginia Plan? It is said that when the first amendments to the Constitution were submitted, there were twelve, of which ten were adopted. The act of September 24, 1807, made the Associates six; that of March 3, 1837, eight; and that of March 3, 1863, nine. Is this correct? What protection is given to a person accused of crime under the jurisdiction of the United States? In what language was Magna Carta written, and to whom was it addressed? In the famous case of Marbury v. Is this true? On September 13, 1788, Congress adopted a resolution declaring that electors should be appointed in the ratifying States on the first Wednesday in January, 1789; that the electors vote for President on the first Wednesday in March next [March 4, 1789] be the time and the present seat of Congress the place for commencing proceedings under the said constitution." The Convention had also suggested "that after such Publication the Electors should be appointed, and the Senators and Representatives elected." The Constitution left with the States proceeded to provide for it as well as for the appointment of electors.

The Secretary of State, on behalf of the President, may accord recognition without recourse to Congress (Art. Who actually wrote the Constitution? IV, sec. What is meant by the word veto, in the President's powers? In each instance what was the vote? Some of the States called their representatives "delegates"; some, "deputies"; and some,

However, the document in reality was built slowly and laboriously, with not a piece of material included until it has been shaped and approved. 2). The vote of how many States was necessary to ratify the Constitution? Those who favored ratification were called Federalists; those who opposed, Antifederalists. How did the first inauguration proceed? It has been stated that the Prohibition Amendment was the first instance of incorporating a statute in the Constitution. No one in a criminal case can be compelled to be a witness against himself, or be deprived of life, liberty, or property without due process of law. Were the other twelve States represented throughout the Constitutional Convention? The mace consists of thirteen ebony rods, about three feet long, representing the thirteen original States. Is the right to speedy trial guaranteed? How many members of the Constitutional Convention had been members of the Constitution had been Madison (1803). The correct title for the Supreme Court is "The Supreme Court of the United States"; for the members, one speaks of a Justice, or Associate Justice, or Associate Justice, or the Supreme Court of the United States, but always of the head of the court as "The Chief Justice, or Associate Justic great compromise of the Constitutional Convention, whereby it was agreed that in the Senate each State should have two members, and that in the House the number of Representatives was to be based upon population. This committee included William Samuel Johnson, of Connecticut; Alexander Hamilton, of New York; Gouverneur Morris, of Pennsylvania; James Madison, of Virginia; and Rufus King, of Massachusetts, and they reported the draft in approximately its final shape on September 12. Q. (Note: The rejected second amendment was ratified on May 7,1992 as the 27th amendment.) Q. Benjamin Franklin, of Pennsylvania. It is usually administered by the oldest member in point of service (Art. Must a member of the House of Representatives be a resident of the district which he represents? 3, cl. The Sixth Amendment expressly states that in all criminal prosecutions the accused shall enjoy the right to a speedy and public trial by an impartial jury within the district of the crime, and to be informed of the nature and cause of the accusation. Five. Thus the rights of the small States were safeguarded, and the majority of the population was to be fairly representatives, &c. 2; Art. 18). I, sec. 18. What is the mace of the House of Representatives and what purpose does it serve? The Sixteenth Amendment was proposed to the States on July 12, 1909, deposited with the Secretary of State on February 25, 1913. 7, cl. The people had all their rights and liberties before they made the Constitution. The Declaration of Independence has 1,458 words, with the signatures, but is slower reading, as it takes about ten minutes. No. They restrict the powers of the national government. What is the difference between a joint and a concurrent resolution of Congress; by the people; by State legislatures; by State executives; and by electors. How can it be said that the signing of the Constitution was unanimous, when the deputies of only twelve States signed and some delegates refused to sign? The amendments proposed by the first Congress were sent out as "Articles in addition to, and Amendment of the Constitution of the United States of America," and the term "article" is used in self-application in all the amendment. "This would seem to give official sanction to calling the amendment." This would seem to give official sanction to calling the amendment. "This would seem to give official sanction to calling the amendment." This would seem to give official sanction to calling the amendment. "This would seem to give official sanction to calling the amendment." This would seem to give official sanction to calling the amendment. "This would seem to give official sanction to calling the amendment." This would seem to give official sanction to calling the amendment." This would seem to give official sanction to calling the amendment. in question is in accordance with the Constitution, in the opinion of the Supreme Court, the law stands. This was not the first case in which the authority of an act of Congress was questioned in a case before and was at the time with the army in New York City. For example, if a Senator is in favor of a certain piece of legislation and is ill or unavoidably detained, his friends arrange for some one on the opposite side not to vote. His identity was determined after a long and careful search of collateral public documents, and is here disclosed for the first time. 1). Who was called the "Father of the Constitution"? On April 30, 1789, George Washington was inaugurated as President of the United States, so on that date the executive branch of the government, aside from judges? (title). They were made obsolete by time limit in one case and the Civil War in the other. What is treason against the United States? Those powers simply flow from general provisions. To the constitution all laws, executive actions, and, judicial decisions must conform, as it is the creator of the powers exercised by the departments of government. The great French philosopher had, however, in turn borrowed much of his doctrine from the Englishman John Locke, with whose writings various members of the Convention were also familiar. No. Neither the Vice President nor any Senators took the oath of office until June 3. Did George Washington sign the Declaration of Independence? This was to prevent President Johnson from making appointments; but the act of April 10, 1869, restored the number to eight. There were nineteen who were never present. A constitution embodies the fundamental principles of a government. The Twentieth Amendment provides that in this case the Vice President-elect shall become President.
